The screenshot shows the 'Cloud Technology' (云采科技) API documentation interface. The sidebar on the left contains navigation links: 'Home' (主页), 'Swagger Models', 'Document Management' (文档管理), and 'Data Push' (数据推送接收-雨水). The main content area displays the 'Tender Project' (招标项目) API endpoint with a POST method. A green box highlights the 'Documents' (文档) button in the top right corner of the API details section. Below the button, the XML request body is shown, detailing various fields like qualification, bid information, and tender details.
